

A nighttime photograph of a city skyline, featuring several tall skyscrapers with their windows and architectural details illuminated. The central focus is a tall, curved building with a warm orange glow. To its left, another building has a distinctive blue light pattern. The sky is dark blue. A white diagonal line cuts across the lower half of the image, separating the header from the main text.

Fenchurch Faris Ltd.

Property

Our team specialises in crafting innovative insurance, reinsurance, and risk management solutions that address complex exposures across industries. Whether you're safeguarding commercial property, mitigating supply chain risks, or insuring against natural catastrophes, we provide strategic cover that supports resilience and recovery.

FENCHURCH

Coverage

Commercial property insurance typically covers:

- ❖ Buildings and Fixtures: Protection for structures, fixtures, and fittings. Including fences, gates, car parks and underground pipes and cables.
- ❖ Property Damage: Covers rebuilding or repairing your premises following incidents like fire, theft, flooding, storms or vandalism.
- ❖ Business Interruption: Provides financial support if your business can't operate temporarily due to an insured event like fire or flooding.
- ❖ Trace and Access: Covers costs to locate and repair leaks, such as finding and fixing burst pipes.
- ❖ Loss Prevention: Pays for preventative measures to safeguard your property from imminent damage, like installing flood defences.
- ❖ Loss of Rent: Covers rental income loss if your commercial property becomes temporarily unusable due to insured damage. Accidental
- ❖ Damage: Protects against unintentional damage to your property.
- ❖ Liability Protection: Covers legal fees if third parties claim your business caused injury or property damage.
